

SOUTHERN UTAH STRING MUSIC FESTIVAL SCHOLARSHIP APPLICATION

The Southern Utah Music Festivals contribute to a scholarship fund which will eventually result in endowed scholarships at SUU. At this time, graduating high school seniors who will attend SUU in the fall and who have earned at least one Gold Cup trophy may apply for a \$100 Gold Cup Scholarship. String performers are encouraged to perform with the SUU Symphony Orchestra.

The Music Festival Scholarship Committee will determine recipients and award the scholarships in May. This form is for string students only. The Piano Festival will be handling their scholarships separately.

It is exciting to see the progress music students make each year through Music Festival participation. The Music Festival directors want to acknowledge the support of parents and teachers who make this wonderful opportunity available to young musicians.

Scholarship Applications Due March 30

Name _____ Telephone _____

Address _____

Planned SUU Major _____ Instrument _____

Year(s) and Events of Gold Cups: (for example, 2008 Piano Solo)

Describe a favorite performance:

In which SUU performing groups are you planning to participate?
